

YOUR MATERIAL IN FOCUS

Benefit from our Exclusive 10-Year Camera Warranty

Because we trust our technology, our customers benefit from something unparalleled in the inspection industry:

An exclusive 10-year warranty on all Dr. Schenk proprietary cameras.

While this free-of-charge extended camera warranty was previously only available for newly purchased cameras, we are now making this offer available to all customers, whose systems are still covered by our standard 12-month system warranty.

Dr. Schenk has been leading the way in material inspection since 1985.

The Eye of your Inspection System

The Dr. Schenk camera is the “eye” of your inspection system and its flawless operation an essential part of an economically successful production.

The 10-year camera warranty is combined with a service contract for the “Technical Hotline” and “Preventive Maintenance” modules. In case of a warranty claim your free-of-charge replacement camera will be shipped.

Contact the Dr. Schenk service team today to secure your 10-year camera warranty.

YOUR BENEFITS

- Retain the value of your inspection system
- Unmatched system dependability and highest levels of system performance
- Higher ROI, lower cost of ownership
- Decreased purchase risk

About Dr. Schenk

Dr. Schenk GmbH offers inspection and measurement solutions for automated quality assurance and production process control - a key success factor in the making and converting of many materials, e.g. plastics, textile materials, nonwovens, paper, metal, or glass, for a multitude of markets like display glass, automotive, packaging, medical, renewable energy, and many more. From modular standard units to highly customized systems – Dr. Schenk's solutions have your material in focus!
